Product Information

The BSL-P8002M-1 Solar Shed Light is the 3rd generation of this series of lights.

This updated version features a waterproof solar panel and a revised light design updated to feature 12 Super-Bright LED's and a silver-gilt reflecting plate; ...improving overall brightness.

The BSL-P8002M-1 is supplied with 3 Ni-Mh AA 600mAh rechargeable batteries and automatically protects the batteries from overcharging.

Supplied with all mounting hardware and wires, the BSL-P8002M-1 is simple to install. The BSL-P8002M-1 is ideal for use in barns, sheds, garages, gazebos, greenhouse or any other remote structure.
